Timbers Resorts Establishes Alliance With Sentient Jet for Private Service to All Properties

Timbers Resorts has reached an agreement with Sentient Jet Membership, one of the leading providers of private jet memberships, that allows Timbers Resorts owners to access the Timbers' corporate membership with Sentient for travel to and from any of the Timbers Resorts properties. Timbers owners are also eligible to enjoy a preferred offer to join the Sentient Jet Membership Program for travel to destinations other than Timbers Resorts properties.

"Time is worth so much to our owners," says Timbers Resorts founder and CEO David Burden. "This new alliance will help them reach their destination with friends and family more quickly and comfortably, avoiding the hassles that commercial air travel now provides."

Signature developments of Timbers Resorts include The Timbers Club at Snowmass in Snowmass, Colorado; Esperanza Resort in Cabo San Lucas, Mexico; The Rocks Luxury Residence Club in North Scottsdale, Arizona; Castello di Casole in Tuscany, Italy; The Preserve at Botany Bay on St. Thomas, USVI; and the newest, One Steamboat Place in Steamboat Springs, Colorado. Designed for vacationers who want the best in luxury leisure, these properties provide personalized surroundings and services tailored to each resident's tastes and preferences. Founded in 1999, Timbers Resorts has carved a niche within the real estate industry by offering a unique combination of equity ownership, vacation-home lifestyle, and high-end resort amenities.
