

5 New Ways to Experience Hawaii

JANUARY 21, 2016

Hawaii is constantly upgrading the visitor experience with new activities and experiences. This year is no different, and travelers will be welcomed with high-end shopping, new accommodation options as well as special celebrations.

New Places to Stay

Timbers Resorts is expanding its brand to Kauai, with plans to develop and manage 450 acres on the island's southeast coast at the former location of Kauai Lagoons. Its development, Hokuala (which means "rising star" in Hawaiian), will become the newest resort in Timbers portfolio.
